A DECREASING DEATH RATE. The District Mortality Returns for July Very

Low. The monthly report of the health officer for The monthly report of the health officer for July makes a remarkably good showing for the district. During the month there were 425 deaths, a decrease of 18 deaths from June. Of this number, 225 were white and 202 colored, a death rate of 10,17 per 1950 per amam for the whites, 31,98 for the golored, and 25,56 for the total population. This is lower than the mean death rate of July for the past ten years by 3.5 for the whites, 11,36 for the colored, and 6.16 for the total population. The average are set of the white decedents was 30 years, of the colored 21 years.

and 6.10 for the total population. The average ages of the white decedents was 30 years, of the colored 21 years.

The principal causes of death was diarrheal diseases 86, consumption 69, heart diseases 17, congenital debility 16, cancers 15, inamition and senile debility each 13, diseases of kidney 11, and intestinal diseases 10. From this it will be seen that diarrheal diseases, with a decrease of 13 deaths from the preceding month, still retails the first place, and consumption, with an increase of 2, holds the second. Sear-let faver has fallen from 16 to 6; whooping cough still prevails, and caused 7 deaths; diplitheria caused three deaths, and measles has finally disappeared from the causes of death. The average delly mortality was 13.71. The highest daily mortality for the whites was (11) on the 17th. The highest daily mortality for the trigger of the trigger of the trigger of the 17th and 24th, the lowest (5), on the 8th. During the mouth 72 marriages and 225 births were reported.

The Treasury Paper All Right.
"The treasury department often rejects bids
or paper and envelopes," said an official of e stationery department yesterday, "a though the quality of our paper is generally up to the standard. We have trouble occasionally with envelopes, and when we find them to be of inferior quality we throw them out and compel the contractors to furnish better ones, and we have very little trouble in determining the quality of paper, although we use no machine. We tell by the touch and appearance, and it is seidom that we are mistaken. I don't think that this department is over defrauded."

## Five Days' Extraordimary Remnant Sale

Before Taking Stock next Friday, the 22d instant. We call the sale EX-TRAORDINARY because we are willing to make more than ordinary reductions on many lines of goods, in preference to carrying them to another season. Again, we do not like to take stock of Remnants, Odd Sizes, &c., &c., and have therefore made larger reductions than are usual. or are necessary ordinarily, with a view of making our Stock-Taking Week memorable to us and our customers and mutually profitable to both. For instance, in our

### White Goods Department

We are cutting many pieces every day, and ordinarily any length will sell at the regular price, but this week we put in every length less than full pieces and make a reduction in price.

### In Our Dress Goods Department

Every length in stock under 10 yards has been placed among the Remnants, and the price has been "cut" liberally. The same policy will be carried out in every Department of our house. We shall offer inducements in our "Remnant" prices which will be MUTUALLY PROFIT-ABLE to us and our customers. Our business is conducted on the principle that every sale must of necessity be either mutually advantageous to both parties or disadvantageous to one party to the transaction. In pursuance of this policy we have always offered to exchange for other oods, or even refund the price paid, any article purchased from us, even REMNANT, if for any reason the customer cannot make the expected use of it, providing always it is returned in good condition, thus precluding the possibility of any customer being dissatisfied with any purchase made from us. Therefore you can run no risk in giving careful examination to each one of our twenty departments during our EXTRAORDINARY REMNANT SALE, continuing five days: Monday, August 18; Tuesday, August 19; Wednesday, August 20; Thursday, August 21, and Friday, August 22.

ARTIFICIAL TEETH WITHOUT PLATES DR. C. L. ANDERSON,

DENTIST,

601 THIRTEENTH STREET, CORNER F STREET, Formerly Expert of the SHEFFIELD TOOTH CROWN COMPANY, New York City, has located at 601 THIRTEENTH STREET, CORNER F. Makes a Specialty of

Tooth Crowns and Artificial Teeth Without Plates. This system entirely obviates the necessity of extracting teeth, does away with artificial teeth, prevents the suffering caused by decay of the teeth and consequent extraction of the roots (producing a change in the expression of the face and mouth), and avoids the pain and excessive annoyance of a pists.

By this method roots and badly decayed teeth, which are firm in position, may be restored to effect usefulness and beauty, performing the office of mestication like the natural teeth.

CENERAL DENTISTRY IN ALL TES BRANCHES.
